Through our custom templates tailored to specific audiences, we satisfy customers and provide a whole enhanced experience with modern design.

# HOW IT WORKS

## Please read before you start

All templates are editable with a **free** Canva account.

- If you don't have a free CANVA account, you can create one in here: <https://www.canva.com/signup>
- Click on the Access Template link provided on the first page.
- Click on the Use Template button to access your Canva templates.
- Now you can edit the text and images as you want.
- We appreciate it if you take the time and leave us a review.
